### LEAGUE DISCIPLINE

**Section 1. League Discipline:** As provided in Paragraph 14 of the AFL Player Contract (attached hereto as Exhibit A): (a) all players will comply with and be bound by all reasonable AFL rules in effect during the term of this contract that are not inconsistent with the provisions of this Agreement and the Settlement Agreement; and (b) players may be subject, for just cause, to fines and/or suspensions imposed by the AFL for violation of any reasonable AFL rules. All League Discipline shall also be subject to the maximum discipline specified in Exhibit D hereto.

**Section 2. One Penalty:** The Commissioner and a Team will not discipline a player for the same act or conduct. The Commissioner's disciplinary action will preclude and/or supersede disciplinary action by any Team for the same act or conduct.

**Section 3. Gambling Policy:** Players shall adhere to the gambling policy set forth in Paragraph 15 of the AFL Player Contract, which is as follows:

Player recognizes the detriment to the AFL that would result from impairment of public confidence in the honest and orderly conduct of AFL games, or the integrity and good character of AFL players. Player therefore agrees not to accept any bribe, throw or fix any AFL game, attempt to throw or fix any AFL game, or do anything else to cause or attempt to cause any AFL game to result other than on its merits. Player also agrees not to bet, legally or illegally, anything of value on the result or margin of victory of any AFL game. Player also agrees to promptly report to the Commissioner any offer or inducement or request to bribe an AFL player or to attempt to throw or fix an AFL game. Player also agrees not to knowingly associate with gamblers or gambling activity; not to violate the terms of any AFL/AFLPA drug program; and not to provide other players with stimulants or other drugs for the purpose of attempting to enhance on field performance in violation of law or any collective bargaining agreement in existence during the term of this contract. If the Commissioner has just cause to find any player to have violated the terms of this paragraph, the Commissioner may impose appropriate penalties therefor, including, in appropriate circumstances, the suspension, dismissal and/or permanent disqualification of player from any further association with the AFL, subject to the terms of any agreed upon AFL/AFLPA drug program.

**Section 4. Fine Money:** Any fine money collected pursuant to this Article will be contributed to the Brian Piccolo Cancer Fund, the Vincent T. Lombardi Cancer Research Center, ALS Neuromuscular Research Foundation, the NFLPA Players Assistance Trust ("P.A.T."), AFL Charities, the Fran Papasedero Memorial Fund, any charitable organization established by the AFLPA for the benefit of current and/or former AFL players, and/or such other charitable organization(s) or cause(s) as may be agreed upon by the AFL and the AFLPA, with fifty percent (50%) of such fine money contributed as designated by the AFL, and fifty percent (50%) contributed as designated by the AFLPA.
